A Welcome from our Chamber President

On behalf of the Harrison Chamber of Commerce Board of Directors, Officers, and Staff, it is my privilege to welcome you to Harrison!

Founded in 1891 as a rail and timber town, the City of Harrison is the seat of Clare County and is close to the junction of US-127 and M-61.

Said to have been named after U.S. President William Henry Harrison, the city boasts a population of 2,114 residents. Harrison is home to many beautiful sights, and is bordered along its eastern side by Budd Lake. In fact, Harrison is within 20 minutes of 20 different lakes! This makes it a paradise for outdoor enthusiasts of all ages. Our beautiful City and its surrounding acres of state land is perfect for hunting, fishing, camping, hiking, snowmobiling, ORV trips, and a whole lot more.

Whether you are a resident of Harrison, or are here to explore and play, I am sure that you will be drawn in by the charm and serenity that Harrison has to offer. Harrison is a very special place that you will want to return to again and again - a place where you and your family will make memories that will last a lifetime.

Sincerely,
Michelle Grant, Chamber President
